READING COMPREHENSION

- I. Read the following information about the Jamaican athlete **Usain Bolt**, and answer the questions.

Usain Bolt was born on August 21st, 1986. He is a Jamaican **sprinter**. Bolt holds the Olympic and world records for the 100 metres at 9.69 seconds, the 200 metres at 19.30 seconds and, with his teammates, the 4x100 metres relay at 37.10 seconds, all set at the 2008 Summer Olympics. Bolt became the first man to win all three events at a single Olympics since Carl Lewis in 1984, and the first man in history to set world records in all three at a single Olympics. His name and **achievements** in sprinting have earned him the media nickname "'**Lightning**' Bolt", and as a result of his success in athletics, he was named Laureus World Sportsman of the Year for 2009.

Bolt distinguished himself with a 200 m gold medal at the 2002 World Junior Championships, making him the competition's youngest-ever gold medalist. In 2004, at the CARIFTA Games, Bolt became the first junior sprinter to run the 200 m in under 20 seconds with a time of 19.93 s, breaking Roy Martin's world junior record by two-tenths of a second. Bolt also set competition records at a number of other junior events.

Bolt lives a simple life. He loves dancing and people describe him as **laid-back, confident** and relaxed. He is from a city called Trelawny, in Jamaica. He doesn't like training, but he knows it is necessary.
